

# GAMMARAMMA

KANSAS GAMMA CHAPTER OF SIGMA PHI EPSILON FRATERNITY

VOL. I No. 1

Winter 1980

## HOMECOMING DRAWS GOOD CROWD

This year Homecoming was a weekend event starting Friday night, October 26, 1979, with a party in Kansas City. A crowd of approximately 75 people showed up at the Four Colonies Club House for an informal fireside party that included disco lessons from Stan Haynes '74 and an appearance by Dick Kerr '72 disguised as "Big Bird" (Halloween always was his favorite holiday). Not only was a good time had by all, but it was apparent from the conversation that many who were unable to attend the activities at the House were pleased to be able to see old friends the night before. A special thanks should be given to J. R. Hughes '75, Tim Ashner '76 and Dave Fisher '75, who handled many of the arrangements for the party.

On Homecoming morning, to the surprise of everyone, the alumni football team tied the undergraduate Chapter in a game that left Coach Chris Forbes '72 talking about a new alumni dynasty, despite the fact that this is the first blemish on the undergraduate's record in this annual event. Later Saturday morning a crowd of approximately 150 arrived at the House. Mother Jean Morgan graciously provided an excellent lunch before the game and coffee, cider and donuts for those returning to the House after the game.

Unfortunately, most of Don Fambrough's Jayhawks could not match the success of Mother Morgan and the undergraduate Chapter, losing to Oklahoma State 30 to 17. With the football program in a rebuilding effort, there was great anticipation of improvement for the 1980 season if KU can have a good recruiting year this year.

The size of the crowd made it difficult to determine how many alums attended Homecoming. Among the alums in attendance (all of whom invite you to join them next year) were the following:

Wiley Agee '75  
Greever Allan '31  
Bob Allen '78  
Tim Ashner '76  
John Brady '76  
Bill Brown '77  
Bill Bucher '76  
William Burt '48  
John Campbell '50

(Cont'd. P. 2)

## Funds Needed

Was your annual \$10 subscription for 1979 paid? Because of a fire and printing difficulties, requests for 1979 contributions were only made on one occasion. The result was a substantial decline in contributions for 1979. This money is desperately needed to fund this and future issues.

Since the 1980 contributions are now due, we are asking alumni to "double up" and send \$20 for 1979 and 1980 subscriptions. An envelope is attached for your convenience (enclose news about yourself in the envelope). Thanks for your continued support to the Gamma Ramma.

Further, the Alumni Association has numerous other worthy projects that it sponsors. Your support in excess of the annual subscription will help to establish scholarships and educational projects. YOUR CONTRIBUTION IS TAX DEDUCTIBLE.

## SPRING ALUMNI STAG

A Spring Alumni Stag will be held Saturday, April 26, 1980 at the Chapter house in Lawrence. Alumni from all classes are encouraged to attend this bash. Alumni from many classes have already committed themselves.

The activities will be kicked off with a noon luncheon for all alumni. Afternoon activities will

include golf and tennis. For others, a reunion with The Hawk, Louise's, The Stables . . . is planned. After dinner, the party will begin. A brunch will be held Sunday with awards for "deserving" alums.

Contact Chris Forbes '71 in Lawrence for details.  
Home: 913-841-3155 or  
Business: 913-842-1000.

## SPE Elections

House officers for 1980 were elected at the end of the fall 1979 semester. New officers are: Craig Templeton, president; Mark Lanik, vice-president; Matt McLeay, secretary; and Paul Rieger, recorder.

The new comptroller, chosen earlier in the semester by the Alumni Board, is Mike Robinson. Chuck Adams is the new rush chairman.

The new president, Templeton, is a Topeka junior. He has been very active in student government at KU, serving last semester as both administrative assistant for the Student Senate and chairman of the Board of Directors of Assoc. Students of Kansas, the State student lobby group. He replaces Jeff Chanay, Topeka senior.

The new vice president, Lanik, is a junior from Lincoln, Nebraska. This is his second year as a member of the Executive Committee, having served last year as secretary. He replaces Steve Burchstead, Overland Park senior.

McLeay, the new secretary, is an Omaha junior. As a member of last year's pledge class, he organized and supervised "Superstars," Kansas Gamma's major philanthropy. He replaces Lanik.

The new recorder, Rieger, is an Overland Park junior. He has been active in several cabinet committees and has headed Mom's Committee. Last semester he served as Head Waiter. He replaces Pinocchiaro, Omaha junior.

Steve Young, '80

MARJORIE PETERS  
1912-1979

## Mother Peters Passes Away

One of the most popular Sig Ep housemothers ever, Marjorie Peters, died November 17, 1979 after an extended illness. She was 67.

"Mom Marge" served as housemother from 1967 to 1975. She held her position during some of the most turbulent years in recent American history. It was a time of campus dissent and difficult times for most fraternities. Her combination of character traits made Mom Marge highly respected and loved by the Chapter. She was a large factor in the Chapter's ability to remain strong during those years.

Born and raised in Holton, Kansas, Marjorie Sinning Peters graduated from KU and spent the next 30 years working with the Treasury Department in Washington, D.C., during which period she met and married her husband and

raised a son. After the death of her husband and her retirement from Government service she returned to Kansas. She quickly tired of the "easy" life of retirement and applied for a position as a fraternity housemother at KU. She was quickly hired by SPE and was thereafter known to over 200 young men from 1967 to 1975 as "Mother Marge."

Mother Marge was always accessible. Her door was always open. She was a loyal, kind woman who was always willing to listen and to offer guidance, but only when it was requested. She was tolerant. I guess you couldn't live in that house for eight years and see and hear what there was to see and hear without being

tolerant! She truly enjoyed the house; she enjoyed being with "her boys." She enjoyed the parties and Chapter functions, the serious work with the Alumni Board and even Friday night dinners.

She loved the challenge we gave her. We meant a great deal to her. This was exemplified by the fact that she was buried wearing a Sig Ep pin.

A scholarship fund has been established in memory of Housemother Marjorie Peters. Annual awards will be made to a deserving member of the undergraduate Chapter in her memory. An initial contribution of \$250 has been made by the Kansas Gamma Alumni Board. Please send your contribution to: Mother Marjorie Peters Scholarship Fund, SPE Educational Foundation, P. O. Box 1901, Richmond, Virginia 23215. Your contribution is tax deductible.

Tom Wertz '71

## Gavel Gab

Kansas Gamma's fall semester was very productive. The Chapter house is "full" with numerous out-of-house members adding to our size. Summer rush played a great role in our size as we added 25 outstanding new pledges.

The Sig Ep football team had a successful season. Our team reached the semi-finals of the fraternity championship. Our young squad believes it can win the championship next year. One of our toughest battles was against the Alumni team at Homecoming. The game ended in a tie.

We completed two major philanthropies during the semester. The pledge class headed up a Thanksgiving food drive for a program through St. John's Catholic Church and the entire house came through beautifully for "Operation Others," a Christian philanthropy for poor families around town.

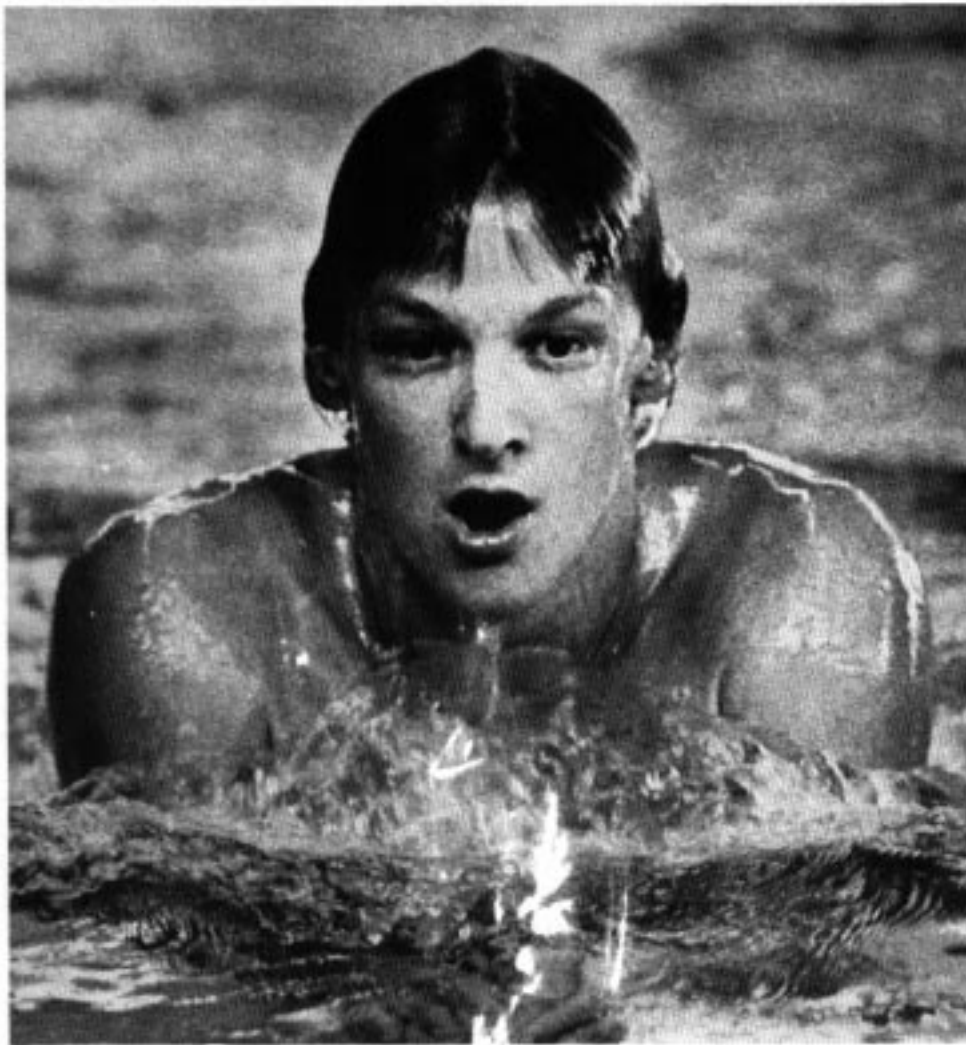

Our Golden Hearts remain very involved and a great help to the Chapter. With a great deal of help and effort from Brothers Crampton and McLeay, we initiated about 40 Golden Hearts this year (I guess that's how the ol' frat grows!).

We made a great Homecoming float with the Alpha Delta Pi's. We didn't manage to win with our entry, but we had lots of fun. It was a clear case of near-sighted judges.

R. Craig Foster, Regional Director, visited the Chapter during the first

(Cont'd. P. 4)

## SIG EP SWIMMER AMONG BIG 8's BEST

Brother Steve Graves, one of the premier swimmers in the Big Eight conference, returned to KU this fall after a summer of workouts on the West Coast. With the workouts behind, the Wichita junior is already thinking ahead to the NCAA swimming and diving championships this spring.

Brother Graves set three records during last season's Big Eight conference meet. He also competed in the NCAA championships last season. "I've never placed in the nationals," Graves said. "I'm capable, but things

didn't go down right. I hope to change that around this season."

Graves spent this past summer swimming for the Dutch Boys, an AAU club in Los Angeles. The highly competitive Dutch Boys placed fourth in the nation in AAU competition. "I gained a lot of experience swimming with the Dutch Boys," Brother Graves said. "They're the top swim club in the West and everyone who's any good comes out to compete on a national level with other clubs."

Bill Spahn, KU swimming coach, has big plans for

Graves, who will swim the 100 and 200 breaststroke and individual medleys for the Jayhawks this season. "I'd like to see him place in the nationals," Spahn said. "He's been working toward that very hard and we'll be expecting good things from him this season. He's one of the best."

Graves said he also would like to see the team place in NCAA competition this season. "I want the team to win the Big Eight and the NCAA," Graves said. "Nearly everyone is back and our recruits should make up for some of our losses."

Even with all his summer workouts behind him, Brother Graves is still working out on his own to improve his style. "I could always stand some improvement in my stroke and overall strength," Graves said. "The stronger you are, the faster you swim, so I've been working out with weights."

There will be plenty of Sig Eps at Robinson Natatorium throughout the season to cheer Brothers Graves on to another great year.

Dale Seufferling, '77

## Gavel Gab

(con't)

week of December and was very pleased with the Chapter and our continued progress.

We are looking forward to a great 1980 and hope to see any Alumni Brothers that can take an opportunity to stop by the house, maybe for dinner, or just to look around and meet a few of the undergraduate Brothers.

On behalf of the Chapter, I would like to take this belated chance to wish the best for all of our Brothers in the new year and decade.

Craig Templeton '81

# Eps Capture Quiz Bowl Title

It was just about as close as you could possibly imagine, but when the final question had been tossed up, Sigma Phi Epsilon had won the 1980 Jayhawk College Bowl.

Forty-six teams, representing eight fraternities, two sororities, nine scholarship halls, six residence halls and 21 independent groups, competed in this year's bowl. Bowl competition began on Sunday, Jan. 20 with the semi-finals and finals on Friday, Jan. 25.

The Sig Eps were facing a 10-point deficit as the final question was presented in the championship round. The quick-witted Sig Eps correctly answered the question for a tie and then broke the deadlock by successfully naming Hercules as the mythological figure instructed to collect a stag, a bull, a girdle, some oxen, a dog and some apples as part of his labors.

Brothers on the team were David Van Parys, Leavenworth senior; Charles Lamb, Prairie Village fresh-

man; Fred Strauss, Shawnee Mission junior; and Kent Sanders, Overland Park senior. Bryan McCaul, Leawood senior, coached the team, and Dan Coon, Leawood senior, served as an alternate player.

What kind of questions do they ask at a college quiz bowl? Well--

- \* What poet likened his love to a red, red rose?
- \* The name of what English actor, composer and playwright sounds as if he is afraid of Christmas?
- \* Which planet of the solar system has so little density, that if placed in water it would float?
- \* What four-word political slogan of the 1840 presidential campaign uses both internal rhyme and alliteration?

## Rush Help Essential

One of the most important Chapter activities this spring and summer will be rush. Once again the Sig Eps are looking forward to involvement from every Brother in the fraternity in this essential membership process.

The undergraduate Chapter elected Chuck Adams, Prairie Village junior, as this year's rush chairman. Brother Adams is in charge of organizing the fraternity's rush efforts

and is looking forward to hearing from everyone who might have rush recommendations. A clip-out form is provided below for your convenience if you have a name to pass along to Brother Adams. Please take the time to think of any young man you might know who would be a good member of Sigma Phi Epsilon. Remember, "Rush is the Lifeblood of the Fraternity" and your fraternity needs your help.

Dale Seufferling, '77

Lawrence, KS. 66044

## New Alumni Board Members Elected

Elections were staged during Homecoming '79 to fill three expired Alumni Board positions. Re-elected to the Board were Jim Elkan '65 and John Maurer '73, while Dave Wood '71 was elected to his first term on the Board. These three join present Board members John Campbell '50, Chuck Hammond '63 and Dave Gatchell '75, whose terms began in 1978.

At their November 14 meeting the Board members re-elected John Maurer as president and Chuck Hammond as vice-president/secretary. The Board also elected John Campbell to assume the responsibilities of treasurer. Dale Seufferling '77 and Chris Forbes '72 will

continue as Chapter Counselor and Chapter Alumni Advisor, respectively. Chapter President Craig Templeton '81 represents the active Chapter on the Alumni Board.

### Board actions:

1. Purchased a new water softener;
2. Allocated funds to redecorate the president's room;
3. Accepted a new upright freezer from the Dad's Club;
4. Contracted to have an improved fire alarm system installed in the Chapter house;
5. Approved a contribu-

tion to the Mother Marge Peters Scholarship Fund;

6. Authorized the establishment of a "Building Committee" to research, study and report back to the Board the feasibility in housing improvements necessary during the next five years. The three primary options being reviewed by this committee are:
  - a.) Major renovations to the current house structure;
  - b.) Constructing a new chapter house on the current property;
  - c.) Buying available property and building a new Chapter house; and
7. Study the possibility of annexing apartments for leasing to Chapter members.

The financial position of the Board is very good. The liabilities of the Alumni Board are based primarily on two notes. A 1964 secured note, at six percent with Capitol Federal, requires a \$440 monthly payment through August, 1984. A 1977 note for house remodeling provides for monthly payments of \$525 to University State Bank until 1983.

The Alumni Board welcomes your suggestions and invites you to attend any meetings. Correspondence to the Board should be mailed in care of the Chapter house at 1645 Tennessee, Lawrence, Kansas 66044.

Dave Wood, '71

## Dist. Picks Linville

Kansas Gamma's nominee for national Sig Ep Golden Heart of the Year has been selected to represent District 20 in the annual competition.

Barbara Linville, a senior from Leawood, is Kansas Gamma's nominee for the District 20 Golden Heart of the Year award.

Barb has long been active in the Sig Ep little sisters program and is immediate past president. She has also been active in several other activities, including her sorority, Alpha Chi Omega, which she served as treasurer. She plans to graduate in May with a degree in journalism.

The Golden Heart of the Year award is based on participation in the Golden Heart program, involvement in

Barbara Linville

other campus organizations and, of course, personal appearance and personality.

## Treasurer's Report

In my last treasurer's report, I indicated that the financial position of the Kansas Gamma Alumni Association was "good." Unfortunately, such is not the case this year. Hopefully, you will take the necessary steps to improve our financial position.

1979 saw a substantial decline in contributions. During 1978, 115 Kansas Gamma alumni contributed to the Alumni Association. In 1979, however, only 22 subscriptions were received. This no doubt was partially the result of only one Gammaramma being published during 1979 (fire and publishing problems caused delays). However, I know your contributions are not based on the number of issues received but on your concern for the fraternity and desire to retain ties

## Gamma Alum is R.D.

Dave Simpson, class of '79, currently serves the National Fraternity as Regional Director.

Simpson, from Davenport, Iowa, served as Kansas Gamma's president two years ago and last spring received the J. Edward Zollinger Outstanding Senior Award for District 20.

As one of nine regional directors, Simpson represents the National

Fraternity, supervising chapters in North and South Carolina, Kentucky and Tennessee.

As president at KU, Simpson coordinated a \$25,000 renovation of the Chapter house's downstairs living area. He graduated last spring from the William Allen White School of Journalism with a Bachelor of Science degree.

Dave continues a tradition of numerous Kansas Gamma members who have worked for the National after graduation, the most recent being Bob Brooks, '71.

Steve Young, '80

with your brothers.

Therefore, we are asking the alumni who did not contribute in 1979 to "double up" and give \$20 for both 1979 and 1980. Your commitment to the fraternity is greatly appreciated. Remember, your contribution is deductible.

Thanks for your anticipated support.

R. K. Nelson, '69  
Treasurer

## Alums Meet

A meeting of Lawrence alumni of Kansas Gamma was held November 7, 1979. The local Sig Eps gathered at the home of Brother Bob Hopkins for a meeting and discussion of Chapter needs. With 43 Kansas Gamma alumni living in Lawrence, this should provide a strong basis of local support.

A six member committee has been formed to assist the alumni corporation board in adequately planning for the Chapter's housing needs in the coming decade. This committee also will identify any future major improvements to the Chapter house and explore the possibilities of a new facility.

The Lawrence alumni will also be working closely with the Kansas Gamma Alumni Association and the undergraduate Chapter to plan alumni reunions.

A second meeting will be held this spring. Lawrence alumni who have not yet been contacted should call Chris Forbes (913-841-3155), Dale Seufferling (913-841-6373) or Bob Hopkins (913-842-9966).

Dale Seufferling '77

# ALUMNI NEWS

1922

KARL KRUEGER died in July, 1979 at age 85. Krueger was responsible for convincing Kansas City civic leaders to create a philharmonic. He was the conductor of the Kansas City Philharmonic for its first ten years. Krueger also was conductor for the Seattle Symphony and Detroit Symphony. Krueger founded an orchestra in New York to perform American art music. He wrote a historical survey of his profession, The Art of the Conductor. Krueger also founded the Society for the Preservation of American Musical Heritage.

The Kansas City Star's music editor stated upon Krueger's death:

Krueger was a man of many interests and achievements, but for many Kansas Citians, his most important legacy is the Philharmonic. As the orchestra enters its 47th season, it is stimulating to recall the vision that created it and the aura of adventure that surrounded its early years. For these and many others, Karl Krueger will long be remembered.

1924

ASHLEY G. CLASSEN died on July 16, 1979. Brother Classen was the No. 3 charter member of Kansas Gamma. At the Kansas Gamma Golden Anniversary in 1973, Brother Classen traveled further than any other alumnus to attend the anniversary. Among his survivors is his son, Brother

Nicholas W. Classen, class of 1959 (resides in Austin, Texas).

1926

Z. LYLE BROWN and his wife, Sally, operate Fort Charrette, a restored and relocated French fur trading post near Washington, Missouri. The Fort is a museum and antique shop. Their address is Route 1, Box 229, Washington, Missouri 63090.

E. S. HAMPTON received his A.B. degree in 1927 and law degree from KU in 1929. He recently received a 50 year practice award from the Kansas Bar Association. Brother Hampton is senior partner of the Salina law firm of Hampton, Royce, Engleman and Nelson, Ninth Floor United Building, Box 207, Salina, Kansas 67401.

1929

HAROLD E. KELLER has been elected to an honorary membership in the Construction Specifications Institute. Since his retirement from the firm he founded, Building Specifiers Associates, he has done consulting work. Brother Keller's address is P. O. Box 321, San Gabriel, California 91778.

1930

KENNETH G. PADDOCK retired from a newspaper and advertising career in 1971. He is currently employed as a sales manager for Singer Steel in eastern Kansas and western Missouri. Brother Paddock's address is 1518 Beverly Drive, Enid, Oklahoma 73701.

1932

BANNER STEPHENSON received his business degree in 1932. He is currently

## Sigma Phi Epsilon

self-employed in land development and cattle. Banner and his wife, Eileen, live at 11450 West 199th Street, Bucyrus, Kansas 66013.

1941

RAY G. STONEBACK, Lawrence appliance and electronics dealer, recently assisted the House in obtaining a new refrigerator for the kitchen at a greatly reduced rate. His assistance is greatly appreciated. Ray's daughter, Lynn, is currently engaged to be married to Brother Steve Segebrecht (Kansas Gamma, 1977).

1944

JEAN THOMAS FISHER and his son, Thomas Patrick, are currently chief executive officer and president of Fisher and Associates, Money Management Group, Inc. with offices in Albuquerque, Beverly Hills, Washington, D.C. and Kansas City. Jean's current address is 4804 West 83rd, Shawnee Mission, Kansas 66208.

1952

GEORGE J. WILLIAMS has been head of the public works for the City of Lawrence, Kansas since 1966. He and his wife, Darlyne, have three sons. Their

address is 3424 Trailroad, Lawrence, Kansas 66044.

DON GLASCO is a psychiatrist in Lilloeton, Colorado where he has been practicing for 20 years. Don received his A.B. at KU in 1952 and his M.D. degree in 1956. Don has been particularly interested in psychotherapy and psychiatric education. He is Assistant Clinical Professor of Psychiatry at the University of Colorado Medical School. He is currently president of the Colorado Psychiatric Society. Don's wife is Joanne Lewer Glasco, who has retired from being a registered nurse and recently started a wedding catering service. The children are Sherry Ann (married), Susanne (C.U. freshman) and Mark Allen (high school sophomore). Glasco reports that he sees KU Sig Ep Jim Moorhead occasionally. Moorhead also lives in Lilloeton.

## 1958

ROBERT R. HOPKINS is currently owner of Bob Hopkins Volkswagen Inc. in Lawrence, Kansas. Bob is

active with the Williams Fund and KU athletic activities. Bob also recently solicited a \$500 pledge to the Kansas Gamma Alumni Association. Bob lives at 1624 Alvamar Drive, Lawrence, Kansas 66044.

## 1959

LELAND KENT WILKINSON is currently a C5 Galaxy pilot at Travis Air Force Base. His current address is 350 Alamo Drive, Vacaville, California 95688.

## 1966

MIKE BURDICK has been Assistant Refinery Manager for the Indiana Farm Bureau Co-op Refinery in Southern Indiana. Previously, Mike was a chemical engineer with Amoco Refinery in Kansas City, Missouri. Mike and his wife Debbe have two children, Katy, 7, and Ben, 4. Debbe is a pre-school teacher and pro-choice activist with NOW in Evansville, Indiana. The Burdick's address is 1716 Jefferson Drive, Mount Vernon, Indiana 47620.

## 1970

DAVID W. HOWARD is an attorney with Ryder, Skeer, Rose & Frensley in Kansas City, Missouri. David and

his wife, Leann, live at 5635 Fairway, Fairway, Kansas.

## 1971

JOHN S. ADAMS has completed his internship and residency at KU Medical Center. He is currently on a three year fellowship in endocrinology at Massachusetts General (associated with Harvard University) doing research in calcium metabolism. John has published numerous articles in professional journals, including the New England Journal of Medicine. His address is 174 Commonwealth Avenue, Boston, Massachusetts 02116.

## 1972

NICHOLAS NIEWALD is employed as an officer at the First Federal Savings & Loan in Beloit, Kansas. Nick and his wife, Damaris, have three children: Luke, 4; Lindsey, 2; and Andrew, 6 months. Their address is 422 N. Mill Street, Beloit, Kansas.

RICHARD D. KERR is currently employed by Electro Sales as a salesman. Dick and his wife, Pam, who works for Allstate Insurance Company, reside at 6823 Granada Lane, Prairie Village, Kansas 66208.
